Almost perfect intonation! I like the gestures but it was a little fast at times.

Your intonation, pronunciation, volume, and pace were ok and I could tell you tried really hard. So close to memorizing all of it, so try hard to memorize it perfectly next time!

Good intonation!

Your intonation was very good but some words were mispronounced because you spoke too fast! You had good gestures near the end but the pace was a little off.

Your intonation was good and lovely. You should train more for your pronunciation but it was good. Great volume and easy to listen to your speech. You looked very confident, great job! You had a great pace but you checked your paper sometimes.

Good job on your intonation and excellent job with your volume. Good use of gestures but try to include even more gestures next time. Good job on memorization!

You had good linking words and had great "ir" sound as in "bird." Good pronunciation! You also had perfect volume and good facial expressions by using your fingers and hands, which was excellent. Try to memorize a bit more next.

Need more practice for your intonation and you will do better next time. Open your mouth more and you will be better. Good pronunciation with "of course." Good job with your volume and nice body language! Good to use the body language to express yourself. Nice try with your memorization but good job with your pace.

You should have more intonation if possible to know specific point but great pronunciation and beautiful. It was easy to understand your volume as well as very fluent speaking! And your gesture was really good as it helps us understand our understanding.
