Great job! Your speech was great!

Your speech was outstanding! You brought up a very important issue and thank you so much for sharing your thoughts with the audience!

You spoke with such feeling that made it excellent! I was impressed with the content of your speech as well!

Good intonation and please keep practicing your pronunciation! Your volume was perfect and you have a strong voice. I liked that! You memorized your speech perfectly and your pace was very good!

Your speech was completely perfect! Your voice was slightly too low but your facial expression and gestures were perfect, I was moved!

Try to say "ah" less and focus on "th" sounds. Your volume was good and you had such passionate expressions that your speech and pace were very nice; especially the use of your speed and pauses. Great job!
